Bochman, Llanos named Royalty at Homecoming

The crowning of Kelley Bochman and Ruben Llanos capped a week of unusual activities at Maryvale during Homecoming.

It all started October 13 with a sack race and included wagon races, hot dog eating contests, and a three-legged race.

The week ended with a star-spangled salute to the Bicentennial as the theme for the parade of floats was "The Last 200 Years of Our Country". A fireworks display and a victory over South made it a perfect week.

Thespians give life to 'Cadillac' and Cinderella

A story about a woman who causes trouble at stockholders meetings was the basis of the Thespian's first play of the year, *Solid Gold Cadillac*.

Solid performances were turned in by Gayle Emery, Mike Traylor, Jay Jones, David Scism, Tammy Evans, Debbie Marquis, Armando Alvarado, Shawn Abrams, Chuck Sigars and Janlyn Johnson.

As the Christmas musical, they chose *Cinderella* by Rodgers and Hammerstein.

DeeAnn Kindall played the title role. Chuck Sigars acted out the part of the Prince.

Students faculty break ground for construction

Groundbreaking ceremonies for the expansion of Maryvale's present facilities were held early in October.

The ground was loosened earlier so that none of the sidewalk superintendents broke shovels instead of ground.

Included on the guest list were Superintendent Gearld DeGrow, Principal David Goodson, CTA President Tom Messner, Student President Chuck Sigars and representatives of the faculty, builder and architect.

The project, when completed will furnish new classrooms, a remodeled and en-

larged library and a new vocational area.

Guests were served refreshment in the library before the ceremony.

Refreshments are enjoyed by Dr Kenneth Garland and Foreman Engineer Emerson Snyder before the ceremonies (Above) Student leaders Jim Gaffin, Marilyn Hansen, Chuck Sigars and Ken Beamer dig dirt (Middle). A chili supper was added to the attractions of Open House at which teachers get together with parents and discuss the progress of students.

Student demonstrations were popular and the ROTC color guard with its Bicentennial uniforms made quite a hit with the parents.

Although students demonstrated skills in various subjects such as typing (Left) most parents came to talk to teachers. Mr Peter Navarrete (Far Left) and Mr Allen Salt (Lower Left) do a pretty good job but Mr Ross Watson must be doing the best because Principal David Goodson is smiling

programmers into a recipe of loyal students and faculty and a pep band with flair and you should come with lively pep assemblies.

Maryvale had all these ingredients plus a winning football team. It added up to superb showmanship from "Get Glendale" to "Ambush Amphitheater."

Record dance; light show win student favor

A light show accompanying a record hop proved to be one of the most popular dances of the year in terms of attendance and participation.

Although some bands were able to get couples dancing, many students just sat around listening. As usual the Homecoming dance drew many after game dancers.

The highlight of the year, though was the Christmas Formal with its theme "Feelings of Love."

Leading the way for all the other dancers, Homecoming King and Queen Ruben Llanos and Kelley Bochman also demonstrate rare skill (Far Upper Left). Some couples showed little inclination toward dancing at times (Upper Middle). The gym provided adequate space for dancers at most sock hops (Above). Getting dressed up and dancing and getting pictures made are always popular at the Girls' League Formal (Left)

Maryvale's best season falls 17 seconds short

When Bob Young took over as head football coach in 1972, his team was undefeated in regular season play and he was named Phoenix Division Coach of the year. This year, his team did even better and he again was honored.

Instead of being beaten in the first playoff game as in 1972, this team took the division title, won the interdivisional game and came within 17 seconds of annexing the state championship.

It all started against a Glendale team that had upset the Panthers the year before. Jay Rains, a newcomer to Maryvale, scored the first touchdown for the Panthers and they held on for a 13-7 first half lead. In the third quarter, junior Quarterback Larry Moreno hit Randy Rupe with a 12-yard touchdown pass and the Cats went on to win 19-7.

Defending state champion Camelback was the Panthers next victim as Scott Klostreich scored three touchdowns and threw the halfback pass 62 yards to Randy Rupe for a fourth. Brian Cutting took a handoff from Moreno in from 18 yards out in the third quarter for the Panthers' other touchdown as the Cats zapped the Spartans 34-0.

The defense got in on the scoring in the Carl Hayden as Jack Housley and All-State tackle Phil Hedrick picked up fumbles and raced in from 38 and 26 yards respectively. The offense contributed 402 yards total offense and 31 points as

the Falcons fell 43-6.

Arch rival Trevor Browne was the next to fall before the prowling Panthers.

With the traveling Booster Club trophy at stake, the Bears scored first but the Cats came storming back on the running of Dick Harkins and Scott Klostreich who scored two touchdowns each, and Jay Rains added another for the offense. Add a safety and a touchdown to defensive ball hawk Mike Franklin and six extra points by Beaver Davis and Maryvale kept the trophy another year, 44-6.

The Alhambra Lions proved to be one of the toughest tests for the Panthers all year.

After going scoreless for the first quarter, Dick Harkins scored from 11 yards out after five seconds of the second stanza. Alhambra came right back to tie the game at 7-7 and that score held until the half.

Maryvale marched in early in the third quarter with Jay Rains getting the last yard. Beaver Davis added the extra point and later a field goal and Maryvale had gotten by, 17-7.

South Mountain and East also played the Panthers tough. South actually led at the half, 3-0 as the Cat offense sputtered.

Alhambra, South, East prove tough for Cats

The defense picked up steam for the team when Marty Brott captured a South miscue and ran 69 yards for a touchdown. Jay Rains finally scored one for the offense and Maryvale sank South at Homecoming.

Maryvale had to come from behind to beat the Longhorns. After Larry Moreno had scored first, East came back to tie the game, 7-7, in the second quarter, then went ahead

on a third quarter score. The Panthers dug in and came back on a Dick Harkins TD run of 12 yards to tie it at 14-14 at the end of three periods.

In the fourth quarter, a bad snap in a punting situation forced Harkins to run with the ball. He gained 15 yards and a first down. Harkins then took a 34-yard pass from Moreno for the winning tally. Final score

An Amphi tackler tries to get Larry Moreno down by his jersey (Above). Alhambra was tough but couldn't stop runs like this one by Brian Cutting led by guard Jack Housley (Right). Ho hum, Maryvale scores again on rival Browne

Panthers sink Central to win Phoenix League

Maryvale 21, East 14.

After those three games, the Panthers enjoyed a couple of breathers as they slaughtered Tolleson 41-0 and North 30-0 in no-contest games.

That brought it down to the game for all the marbles as the Cats had to beat or tie Central to avoid going into a Colorado playoff against Central and South.

It proved a tough task as the lead seesawed all night. Central scored first at the 8:30 mark of the first quarter but their 7-0 lead was short-lived as Jay Rains ran the ensuing kickoff back 94 yards and a tie.

Central scored again and the score at the quarter was 14-7.

Larry Moreno passed to Randy Rupe for a 26-yard TD in the second quarter but the extra point was missed and Central went into the locker room at halftime with a 14-13 lead.

Scott Klostreich raced 72 yards for a third period touchdown to put the Cats in the lead for the first time. Moreno passed to Dick Harkins for what was to be the crucial two point conversion for Central came back to score but fell short by one point when Kim Deloney came up with a defensive gem to turn back their two-point conversion attempt. On to the playoffs, 21-20.

In the divisional playoff, Maryvale remet the Camelback Spartans and the game was nearly a carbon copy of the first. The final score was 35-7.

The defense scored its seventh TD of the year on a fumble recovery by Kim Deloney and Jack Housley recovered a Dick Harkins fumble in the end zone for another.

In more routine scoring, Jay Rains ran in from one yard out and on a 47-yard scamper. Harkins also had a 47-yarder.

The Interdivisional Championship was anticlimactic. The game against Saguaro's Sabre-cats was postponed.

Panthers beat Saguaro; lose to Amphi at State

from Friday to Monday night because rain caused ASU to close Sun Devil stadium in order to keep it in good shape for the ASU-U of A game Saturday night

When the game finally got under way, Saguaro scored first on a field goal and the score stayed 3-0 until the second quarter when Larry Moreno hit Richard Hesler on a five yard scoring pass. It was not until the fourth quarter that the Panthers added to their lead. Phil Hedrick picked

off a Saguaro pass and ran it to the two yard line where Jay Rains punched it in. Saguaro came back with a touchdown and a two-point conversion, but it was not enough and the Panthers advanced to the state finals 14-11.

The state Championship was in a class by itself and the story was told by the clock. With 17 seconds remaining, the Amphitheater Panthers scored and kicked the extra point to down the Maryvale Panthers 23-22.

It was a long trip home to Phoenix from Tucson for Maryvale fans who saw their team go ahead in the first half 22-8 on three Dick Harkins touchdowns on runs of three yards and 16 yards and a 33-yard pass from Moreno.

The offense could never quite score during the second half and that was the ball game

Hard running and blocking were the mainstays of the Panther offense this year. Scott Klostreich shows both his speed against Tolleson (Above Left) and his power against Alhambra (Left). Dick Harkins breaks a tackle in the Camelback game

Leading ground-gainer Scott Klostreich turns the corner for a few of his 74 yards (Above) and Steve Madison and David Rupe come up with an Amphi miscue. Moreno's passing was particularly sharp (Upper Right) Dick Harkins draws first blood for the Panthers

Undefeated during the regular season, the Swingers advanced through the divisional and state tournaments with little trouble.

"They were just fantastic all the way. We won the first state championship of the year," said Coach Rote.

Cross-country teams rebuild; defeats abound

Cross-country was not what you call your great success story this year. The boys won only four of ten meets while the girls, new to the sport lost all their contests.

The girls had quite a bit of trouble getting started. In fact, for quite a while, it was not even sure that they would have a team. Coach Gil Trejo helped the girls a lot once they were organized.

Coach Gene Shipley's boys were led by Phil Peterson while Terry Gerber was the most improved runner.

New coach Franz leads team to third in divisionals

A new coach, new system, and new attitude characterized the 1975 edition of the Panther basketball team.

The new coach was Derryl Franz who came to Maryvale from Sunnyslope to replace Wayne Kindall who became an administrative assistant.

The new system was a more wide open style of play with more running and more shooting.

East's Longhorns make things tough for Jim Walker to get his shot off (Far Upper Left). Duane Wooten uses a David Wille pick to get a lay-up against Trevor Browne (Left). David Quihuis controls a tip against the Bruins (Far Lower Left) and Mike Youngberg (Middle Left) takes a shot against South Time out for a contact lens as Babcock tries to find his (Left). Then back to Jim Walker in action in the Carl Hayden game

The new attitude was no different from the old, the winning attitude.

And win the Panthers did with a 16-6 record, a ninth ranking in the state and a berth in the Phoenix Division Play-offs.

Three year lettermen Dave Quihuis and Dave Babcock led the team with Jim Walker and Mike Youngberg with a quick guard, Ron Ellison were the usual starting line-up. Bench strength was added by Carlos Fierros, Tom Green, Scott Green, David Marquez, and Rod Deeks.

After the regular season Maryvale met the Coyotes from Phoenix Union in the first play-off game. The Cats came back from a first half deficit of 33-27 to lead 57-53 with one minute to play. P.U. came back and tied it at the 31 second mark. Babcock was to score two on free throws but the Coyotes also scored before the end of regular play. The Cats finally won it in overtime, 64-61.

Number one ranked East was to end the Panthers season in the semi-final game. It was the third meeting and the third loss to the Mustangs. Final score was 55-41.

Only four varsity players return next year so things look a little bleak.

Panthers rated third in state in early polls

Points cost Panthers division crown

When not coaching running backs to run for daylight, Coach Rick Johnson kept busy with a wrestling team that finished the regular season with a 9-1 record, took second in division and eighth in state.

Coach Johnson was particularly pleased with three year lettermen Jack Housley and Lee Wilke who finished the regular season with 15-1 and 16-0 records respectively.

Jack and Lee were selected

One of the worst shelleckings the Panthers administered was to Central Stuart Cutting did his part by defeating his opponent (Top, Right) Maryvale had three men who stood on the top step during the divisional tournament. Jack Housley (Top) waits for his first-place medal. Lee Wilke (Bottom Two) was also a divisional champion. Jay Rains was the other wrestler to make it.

for the West Phoenix All-Star team that wrestled a contingent of Japanese All-Stars. They were the only winners as the team went down to defeat 16-4. Lee was the only wrestler from the Phoenix division to win a championship at the Peoria Invitational which Coach Johnson considers a tougher test than state.

Central turned out to be the easiest foe for the Panthers all season. Both the varsity and the JV set records as they wiped out the Bobcats 63-3 and 74-0.

David Siqueiros, Scott Jarvis, and Craig Beyer joined Jack and Lee as champions in the four-way meet which was won by Browne. Maryvale came in second.

Maryvale went into the Phoenix Division as defending champions but were edged

this year by Alhambra, 134-129. Siqueiros, Jarvis, Beyer Housley, Wilke, Stuart Cutting, Rich Steggs and the only other division champ: Jay Rains.

At state the team was struck down by the flu bug making the rounds. Practically the whole team was infected or affected. Even Coach Johnson had a touch. Luckily, Jack Housley went all the way to the finals before being eliminated. Wilke took fourth and the team wound up in eighth place out of 55 teams, the highest of any Phoenix school.

If the team had not been ill, Coach Johnson felt they might have been in the thick of things. Since many of the team were young, the future looks bright for wrestling at Maryvale.

Girls compete on gymnastics, softball teams

Two sports, one old and one new, catered to the distaff side under new court rulings saying that girls must receive equal treatment in the field. Government gets it all together with activities

Student government got it all together this year sponsoring such activities as Midday Madness, Club Week, as well as the traditional Homecoming and Christmas Weeks.

They also got into the act when the Japanese wrestlers visited the Maryvale campus. They picked up the tab for the formal luncheon honoring the visitors which Governor Raul Castro and Mayor Margaret Hance attended.

Student Body Officers (Far Upper Left) Tammy Evans, Marilyn Hansen, Lorann Lage, Jim Gaffin and Chuck Sigers and the executive board (Above) Tammy Evans, Sonja Thomas, Rhonda Williamson, Janet Brims, Marilyn Hansen, Lorann Lage, Ken Beamer, Kevin Schuster, Chuck Sigers, Jim Gaffin, Tim Hutchinson, Chris Wilson and Mr. Kemper were involved as the other pictures show

Male majority bad news, good news for Panthorian

For the first time in history, boys outnumbered girls on the *Panthorian* staff. This caused Sponsor Earl Stinson all kinds of new problems. Those Problems included:

a 250 per cent increase in the pizza and soda budget for late night and Saturday sessions

a 950 per cent increase in reprimands for language unbecoming of a staffer

a 150 per cent decrease in self-motivation

a 350 per cent increase in the number of lost rulers

Bad as those problems

were, there were some advantages to the situation. Those included:

a 450 per cent improvement in the process of communications between the editorial offices and the dark room.

a 750 per cent decrease in the number of personality conflicts

a 550 per cent increase in the facility and a 650 per cent decrease in the delicacy in the manner in which he couched the language of correction, explanation and advice

Construction of new facilities failed to daunt the spirits of the indomitable yearbook staff. Below) Mike Bass, Rick Barry, Lucy Mellema, Chuck Chesser, Mark Carlson, Glenn Mehlhorn, Bill Kucera, Maria Pickle, Troy Williams, Kathy Robinson, Tim Silbaugh and Tami Olsen. Editor Bill Kucera (left) didn't worry for his advisor Earl Stinson (far lower left) had advised not to sweat it. Kathy and Chuck (left center) contributed charm and "pitchers" for the undertaking.

Lack of funds forces staff to publish bulletin boards

Caught in an impossible situation where printing costs are inflationary and income is deflationary, the newspaper staff responded by communicating on a one-to-one basis with the yearbook staff via the 412 bulletin board and producing a few well-read copies of *Panther Tracks*.

Panther Tracks staff (Lower Right) Richard Powers, Kim Ward, Terri Grout, Marilyn Hansen, Armando de Leon, Ron Dickson, Marty Williams, Mr. Stinson, and Carol Ault climb the walls when money for their upcoming publication is not forthcoming. The staff produced nine papers during the year. They constructed 19 bulletin boards.

Band raises funds for trip to Bicentennial Celebration

Play-a-thons, cheese sales, and movie sponsorships were some of the ventures the band used to raise money for their trip to Philadelphia to play in the Bicentennial Celebration Parade.

The band was one of only two invited from Arizona to participate. The other was from Moon Valley High School.

By mid-year, the band had

raised half of the \$40,000 necessary to make the trip.

In addition to the traditional concerts, the band played at the Civic Auditorium, at the Area Vocational Center, and on the mall.

The mall concerts were a part of the midday madness program sponsored by Student Government. The band sponsored the movie: "American Graffiti."

Poms, Cheers dance, yell lots during winning season

With winning seasons in both football and basketball, the Varsity Pom and Cheers really had something to yell and dance about this year.

On their shoulders rested the success and failure of Pep Assemblies, crowd control,

and player morale. They responded well with unfailing good humor.

In addition, the cheerleaders were always working during the week putting up signs such as "Spear the Spartans." A thoroughly blood-thirsty group.

The poms performed their precision dance routines routinely every time the Panthers scored during the football season. That alone kept them pretty busy but they also had time for play and dance at assemblies.

Whether they were performing routines at games (Below) or at assemblies (Left) or just messing around (Lower Left) Varsity Poms (Far Lower Left) Laura Vorhes, Pam Staats, Cindy Burruel, Mary Haddock, Ann Wightman, Joyce Beal, Karen Parrinello, Bonnie Van Curen, and Dana Allen did it with a lot of style, grace and ability.

VICA, HERO, students work,

Among the organizations at Maryvale are a group of clubs made up of students who worked half a day and attended classes the other half.

DECA members work at marketing jobs usually at the retail level. Junior DECA members have not got jobs yet.

HERO is the newest and its members work in jobs related to Home Economics.

JOE gives the future secretaries and clerks an opportunity to practice their

VICA students work at jobs in industry. The coordinators of these programs, Mr. Yule, Mrs. Hunt, Mrs Shoaf and Mrs Jones are in constant communications with the employers.

Student senate met several times during the year to consider proposals of interest to students. One of their accomplishments this year was approval of the Interact club.

Guard appears in old uniforms for open house

In celebration of America's Bicentennial, the ROTC ordered Revolutionary War uniforms which were worn by the Color Guard at the annual open house for parents.

Led by Sgt. Thomas Carney, the Corps also dedicated its new rifle range in October and then the whole ROTC complex was dedicated to Mr. Lou Burnett, who was principal when ROTC was started on the Maryvale campus.

Marine Biology changes name to Natural Science

"From the halls of Maryvale to the shores of Rocky Point" may well become the theme song of the Natural Science Club.

Both before and after its name change from Marine Biology, this group was one of the more active clubs on campus.

First, in answer to a request from the administration, the club undertook the land-

scaping of the planters in the mall in front of the library. Despite a lack of total cooperation from the student body, shrubs began to grow and flowers began to bloom in the mini-desert.

Second came the club's big trip to Rocky Point where they camped on the beach in order to study the marine life in the tiny tide pools the area is famous for. Among their studies was watching the migration habits of the hermit crab. While they were there, they bought several dozen wind chimes made of clam shells which they sold to students and faculty as a money-raising project.

The group planned another trip before school ended.

Members of the Natural Science Club (Below) Dan Straass, Steve Healey, Mike Nelson, Mr. Strickland, Cindy Hansel, Twyla Beck, Tracy Hanna and Miss Hruza were among the members who strolled the beach at Rocky Point (Upper Left) looking for seashells and for whom the sun rose early (Lower Right Center). Goodson, Miller dedicated to tasks of administration

For Principal David Goodson and Associate Principal George Miller, it was a year of dedication.

Whether Mr. Goodson is addressing grandparents, (Far Upper Left) welcoming someone to his office (Far Left and Upper Left) riding his bicycle, (Above) or shaking hands, (Left) a smile is never far from his lips. Mr. Miller (Above and Left) is an ardent outdoorsman

First, there were the groundbreaking ceremonies for the new 30 classroom addition to Maryvale High School.

Second was the dedication of the new ROTC rifle range where they showed off their prowess as marksmen.

The dedication of the ROTC complex, complete with an inspection and a parade completed this dedicated year.

Administration beckons Kindall from coaching

Wayne Kindall, former head Basketball coach and English teacher at Maryvale, became the fourth administrative assistant this year.

He joined Bernard Magnusson, Vae Geiler and Jane Hamlin.

In addition to helping Mr. Magnusson and Mrs. Hamlin with students in trouble, Mr. Kindall was responsible for campus control. Mr. Magnusson was also athletic director; Mrs. Hamlin, public relations coordinator. Mr. Geiler is the director of evening school.

New department, old retirements create stories

The creation of a new department and the retirement of two long-time faculty members were the big stories as far as the Maryvale curriculum for 1976 was concerned.

The Performing Arts Department took drama from the egis of the English Department and joined it with music to form a group of classes with common problems: those of public performances. Drama teacher Rosemary Williams was recruited as the department chairman.

Al Satina, former Music Department chairman; Robert Connolly, band director; and Leslie Weninger, a new teacher, round out the department.

Stanley leaves at tri, Conner waits for close

George Stanley, math department chairman, and Ira Conner, audio-visual coordinator, chose, coincidentally, to retire this bicentennial year. Both deny that they have been teaching that long.

Mr. Stanley used his specialty to determine that he would make \$289 more if he retired at the end of the second trimester rather than finish the year. A former vaudevillian, he has served as department chairman since 1963.

Mr. Conner has seen his area grow from a few projectors and recorders to the sophistication of video tape machines and TV cameras. He retired in June.

Gilardi, Neary join art faculty for Dimensions

Individual departments welcomed new classes and new teachers during the year.

In Art, Catherine Gilardi and Patrick Neary joined the veterans to continue the Dimensions program which gives each entering freshman an overview of the department's offerings.

Barbara Shoaf took over the duties of the Distributive Education program in the Business Department. She replaced JoAnn Brayer.

Other changes in the department were new teachers Frieda Cooper and Diana Thomas.

The Foreign Languages Department suffered few changes.

English works toward better writing ability

The English Department spent much of its time preparing for the minimal writing proficiency testing due to start in 1977.

Their new teachers were Jean Kilker, Erica Sorensen, George Reed and Nancy Stuart whom they shared with social studies.

Bonnie Tryon replaced Mr. Stanley as chairman of the math department for the last trimester. Carol Emmerich was a new face.

Mary Taylor was a rookie home economics teacher.

Larry Yule offered an answer to home ec's bachelor survival as he taught a general shop class for girls.

Varsity sports threaten GAA with extinction

Varsity girl's sports and the possible demise of GAA worried the girl's PE department. Head Basketball coach, Darryl Franz, Kent Raley, and Kit Seaman were new to the Boys.

Tom Visco left the Reading department at mid-year in the capable hands of Margaret Owen. Robert Trujillo took over his teaching duties.

The Social Studies Department stayed healthy and stable even though Mrs. Stuart became the second woman to teach in it.

ROTC dedicated a new rifle range, then its whole complex. It was named Camp Lou Burnett in honor of the man who was principal at Maryvale when ROTC was started.

Stanley, Conner retire from faculty

Maryvale High School students said goodbye to two veteran teachers during the year.

Mr. George Stanley who had been Mathematics Department Chairman since before Maryvale opened its doors retired at the end of the second trimester. He was remembered for much more than that, however. His gentle good humor and his knowledge of math made him a favorite of his students.

His fellow teachers will remember his classic tennis matches with Mr. Unkrich, his wonderful tales of days in Vaudeville, and his ready smile.

Mr. Ira Conner, Audio-Visual coordinator for the same length of time, retired at the end of the year.

Mr. Conner will best be remembered by his crew of student assistants as the man who never gave up on any of them. He was always good

for one more chance and many students finished high school because they were given that one chance.

He will be remembered by his colleagues as the person who would get what they wanted done. Usually with a quiet, unflappable attitude, he made signs, assigned films, and kept track of the sometimes limited projectors.

They will be sorely missed by students and faculty alike.

metamorphosis 1 a : change in physical form, structure, or substance, esp by Maryvale High School b : a striking alteration in appearance, character, or circumstances, esp by Maryvale High School 2 : a marked and more or less abrupt change by Maryvale High School subsequent to opening or beginning
